

Fig. 3A is amended to include reference numbers 108, 124, and 126 inadvertently omitted from the drawing but supported by the specification. Reference number "108" is supported by the specification (e.g., page 15, line 27) when describing the transfer chamber of the high pressure deposition module. Reference number "124" is supported by the specification (e.g., page 11, line 13) when describing the dual stack cooling pre-heat loadlock chamber. Reference number "126" is supported by the specification (e.g., page 11, line 15) when describing the transfer chamber.

Fig. 3B is amended to include reference numbers "108" and "126" inadvertently omitted from the drawing but supported by the specification (e.g., page 16, line 12 and page 18 line 30, respectively).

Fig. 5 is amended to include reference number "526" and reference character "A" inadvertently omitted from the drawing but supported by the specification (e.g., page 21, line 23 and page 21, line 30, respectively).

Fig. 6 is amended to include reference number 526 inadvertently omitted from the drawing but supported by the specification (e.g., page 23, line 9).

Fig. 7 is amended to change an erroneous reference number "922" to the correct reference number "923" which is supported by the specification on page 25, line 2.

Fig. 9 is amended to include reference number "610" inadvertently omitted from the drawing but supported by the specification (e.g., page 12, line 25).

Fig. 12 is amended to correct erroneously titled reference block "1460" to read "Process Gas Control" as supported by the specification (e.g., on page 36, line 24).

REMARKS

In response to the Office Action mailed September 25, 2001, requiring an election of the invention to be examined, reconsideration of this application is respectfully requested in light of the following election, remarks and amendments.

Upon entering the foregoing amendments to the claims, claims 1-22 and 62-63 will be pending in the present application. Attached hereto is a marked-up version of the changes made to the claims by the current preliminary amendment. The attached page is captioned "**Version with markings to show changes made.**" Furthermore, the claims as pending in Group I are set forth in the Appendix for the Examiner's convenience.
